

SAFETY DATA SHEET

Section 1: Identification

Product Name: Made Here Co. Anti-Spatter Spray

Manufacturer: Made Here Co..

6550 Oley Speaks Way Suite A
Canal Winchester, OH 43110

Manufacturer Information Telephone: 1(800) 682-2056

Emergency Telephone Manufacturer: 1(800) 682-2056

Recommended Product Use: Anti-spatter spray welding compound

Section 2: Hazard(s) Identification

Emergency Overview

Biodegradable, non-toxic water-based blend that is not hazardous.

Non-Carcinogenic.

Hazard Classification:

Classification in accordance with paragraph (d) of 29 CFR 1910.1200.

Specific target organ toxicity - Single exposure - Category 3

Specific target organ toxicity - Repeated exposure - Category 1

Signal Word(s):

Danger

Hazard Statements:

May cause respiratory irritation.

Causes damage to organs through prolonged or repeated exposure. (lungs)

GHS Label Elements

Symbol(s)

Precautionary Statements:

General Precautionary Statements:

:P101 If medical advice is needed, have product container or label at hand.

:P102 Keep out of reach of children.

:P103 Read label before use.

For Humans:

:P202 Do not handle until all safety precautions have been read and understood

:P210 Keep away from heat/sparks/open flames/hot surfaces. - No smoking

:P262 Do not get in eyes, on skin, or on clothing.

:P264 Wash hands thoroughly with soap and water after handling.

This product is considered safe when used as intended and under circumstances involving reasonable, foreseeable misuse.

Section 3: Composition/Information on Ingredients

Chemical Name	CAS#	Conc.
Fatty Acid	112429-07-9	0.4%
Potassium Hydroxide	1310-58-3	0.5%
Modified Organic Oil	8016-28-2	23.5%
Non-hazardous Ingredients	63449-39-9, 7732-18-5	75.6%

Section 4: First-Aid Measures

General Advice: If you feel unwell, seek medical advice (show the label where possible). Ensure that medical personnel are aware of the material(s) involved and take precaution to protect themselves. Show this safety data sheet to the doctor in attendance.

Eye Contact: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Skin Contact: Flush with cool water. Wash with soap and water.

Ingestion: Do not induce vomiting. Rinse mouth with water, then drink one or two glasses of water. Call a physician or Poison Control Center immediately. Never give anything by mouth if person is unconscious or convulsing.

Inhalation: If symptoms develop, move victim to fresh air. If symptoms persist, obtain medical attention.

Section 5: Fire-Fighting Measures

Flammable Properties: Product is considered not flammable by OSHA criteria.

Extinguishing media
 Suitable extinguishing media: Carbon dioxide. Alcohol foam. Dry chemical Foam.
 Unsuitable extinguishing media: Not available

Protection of firefighters
 Specific hazards arising from the chemical: None
 Protective equipment for firefighters: Firefighters should wear full protective clothing including self-contained breathing apparatus.
 None known

Hazardous combustion products:

Section 6: Accidental Release Measures

Personal precautions:	Wear adequate protective clothing and equipment
Environmental Precautions:	Stop leak if you can do so without risk. Add dry material to absorb spill
Methods for cleaning up:	Pick up spilled material and place in container for recovery or disposal After removal flush contaminated area thoroughly with water

Section 7: Handling and Storage

Handling/Storage Temperature:	Store near room temperature (60-80 °F) for best product performance. Avoid freezing. Avoid storing above 100 °F. Use good industrial hygiene practices in handling this material.
Handling/Storage Location:	Store only in original container in a cool, dry area inaccessible to children and pets.

Section 8: Exposure Controls/Personal Protection

Engineering controls:	Ensure adequate ventilation. Practice general industrial hygiene.
Personal protective equipment	
Eye / face protection:	None required
Hand protection:	Wear appropriate protective gloves. Gloves must be inspected prior to use. Use proper glove removal technique (without touching glove's outer surface) to avoid skin contact with this product. Dispose of contaminated gloves after use in accordance with applicable laws and good laboratory practices. Wash and dry hands.
Skin and body protection:	Impervious clothing, the type of protective equipment must be selected according to the concentration and amount of the dangerous substance at the specific workplace.
Respiratory protection:	Not Applicable with adequate ventilation.

Section 9: Physical and Chemical Properties

Physical state: Aerosol Spray
Appearance: White
Odor: Odorless
Odor threshold: Not applicable
pH: 6-8
Melting point/melting range: 0°C
Boiling point/boiling range: 100°C
Flash point: Not applicable
Evaporation rate: Not available
Flammability: Not flammable
Upper/lower flammability or explosive limits: Not available
Auto ignition temperature: Not available
Danger of explosion: No danger
Vapor pressure: Not available
Vapor density: Not available
Relative density: Not Available
Solubility in/Miscibility with water: Not available

Section 10: Stability and Reactivity

Reactivity: No test data at this time.
Chemical stability: This product is stable under normal conditions.
Conditions to avoid: Prolonged temperature over 80°C, sparks, and open flames.
Incompatible materials: Strong oxidizing agents.
Hazardous decomposition products: No hazardous decomposition products formed.

Section 11: Toxicological Information

Acute toxicity: No toxic effects when used in accordance with directions.
Potential routes of exposure/potential health effects

Skin: Frequent or prolonged contact can result in defatting and drying of the skin, which may result in skin irritation and dermatitis.
Eye: Droplets, spray, and vapors in the eyes may cause redness and/or irritation.
Inhalation: In high concentrations, vapors may irritate throat and respiratory system, and cause coughing.
Ingestion: Due to being an aerosol, product does not lend itself to ingestion.
Carcinogenic effects:

IARC: No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.

NTP: No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.
No component of this product present at levels greater than or equal to 0.1% is on OSHA's list of regulated carcinogens.

OSHA:

Mutagenic effects: Not available
Reproductive toxicity: Not available
Sensitization: Typical symptoms of skin sensitivity are swelling, redness, and itching. Sensitization of the respiratory system may result in symptoms similar to a severe asthmatic attack. These symptoms include wheezing, difficulty in breathing, chest tightness, coughing and shortness of breath.
Target organs: None known

Section 12: Ecological Information (non-mandatory)

Ecotoxicity: An environmental hazard cannot be excluded in the event of unprofessional handling or disposal. Harmful to aquatic life.

Mobility: Not available

Biodegradation: Biodegradable under normal conditions. Long term degradation products may arise.

Bioaccumulation: Not available

Section 13: Disposal Considerations (non-mandatory)

Waste Disposal Methods: Material should be disposed of in accordance to current federal, state, and local regulations.

Section 14: Transport Information (non-mandatory)

Ground/AIR: Limited Quantity

UN1950

Class 2.2

Aerosols: Non Flammable

PG : None

Water:

UN1950

Class 2.2

Aerosols: Non Flammable

PG : None

Section 15: Regulatory Information (non-mandatory)

US Federal Regulations

SARA Section 355 (extremely hazardous substances): None

SARA Section 313 (specific toxic chemical listings): The components of this product are subject to the reporting requirements of Sections 302, 304, and 313 of Title III of the Superfund Amendments and Reauthorization Act as follows: None

Clean Air Act, Section 112 Hazardous Air Pollutants (HAPs): None

TSCA (Toxic Substances Control Act): None

Section 16: Other Information

SDS date of preparation/update: 11/29/2024
